An application to effect any change of address or location that warrants movement of the current domicile to another should be forwarded to the QCTO before moving. Training learners after relocating to new premises without the revised accreditation letter is against [QCTO policy](#), and learner training and results will not be considered for the qualification in such a case.

Your institution should submit learner information data quarterly to the QCTO in accordance with the load specifications as provided by the QCTO. Ensure you reference the accreditation number when submitting your electronic data files to the QCTO during your data load cycles.

QCTO quality Assurance department will from time to time send forms and documents that need to be filled and complied with, as per the [QCTO policies](#). Ensure that your institution complies with all requirements.
